WELCOME LETTER

Welcome to the Olomouc Vis Pre-Moot!

The Palacký University Vis Moot Team, supported by the Faculty of Law of Palacký University in Olomouc, which will host the event, as well as LitFin – Litigation Financiers and the Polish law firm Jabłoński Kozmiński & Partners, warmly welcomes you to the Olomouc Vis Pre-Moot, held in connection with the 32nd Willem C. Vis International Commercial Arbitration Moot.

We are incredibly proud to bring the Vis Moot spirit back to Olomouc after nearly a decade-long break. This one-day pre-moot is designed to be an intensive and dynamic event, offering pleadings before a unique blend of seasoned legal practitioners, many of whom are former mooties eager to participate in the hearings and provide valuable feedback.

Beyond the pleadings, the pre-moot will feature a panel discussion with three renowned experts in the field of international dispute resolution. The discussion will focus on multi-tier dispute resolution clauses, the central procedural issue of this year's case, and the broader relationship between mediation and arbitration. We strongly encourage you not to miss this discussion, as it may provide valuable insights and practical advice for one of the key procedural arguments in the competition.

Of course, no Vis Pre-Moot would be complete without its social aspect. Olomouc is renowned for its vibrant pub scene, and after the conclusion of the pre-moot, we will all gather in one of the city's best spots to celebrate a day of legal debate and networking.

Once again, welcome to Olomouc Vis Pre-Moot. We look forward to an exciting and enriching event!

Best of luck!

Šimon Kopárek, Slavomír Halla, Patryk Grochowski, Filip Novák, and Vojtěch Hudec

PANEL

Get ready for an exciting kickoff to the Olomouc Pre-Moot featuring renowned experts in International Dispute Resolution! The panel discussion on "Multi-tier Dispute Resolution Clauses – relation between mediation and arbitration" directly addresses the key procedural challenge in this year's Vis Moot case, offering mooties a fresh perspective on these complex issues.

The panel includes a Q&A session, giving you the perfect opportunity to ask questions and clear up any doubts you might have. Don't miss this valuable chance to enhance your understanding before the competition begins!
